

A group of children, mostly of African descent, are huddled together in a circle, looking down at something they are holding. The image is overlaid with a semi-transparent purple filter. The text is positioned over the top and bottom portions of the image.

WRIGHT FRAME OF MIND

Children's Foundation

EXPERIENTIAL LEARNING **SPONSORSHIP PACKAGE**

"Advancing children's quality of life
through literacy and social development programs"

Sponsorship Proposal

Dear Prospective Partner,

Wright Frame of Mind (WFM) is dedicated to the holistic development of children. We believe in advancing children's quality of life through literacy and social experiences. Our main goal is to encourage and support academic excellence and social integration for students within the public school system. One of our major initiatives this year is to create and extend bursaries to Toronto District School Board (TDSB) students who are demonstrating academic excellence and interest in experiential learning outside the classroom.

Wright frame of Mind is asking you to partner with us in this important endeavour. We would be honoured if you would partner with us by sponsoring dynamic students who strive to succeed academically and demonstrate interest in experiential learning ventures that further develop intrapersonal and interpersonal skills. Students who receive our bursaries will have an opportunity to engage in various experiential learning settings which provide the following benefits:

- Access to authentic engagement in learning experiences that are culturally relevant
- Involvement in activities based on real-life situations
- Learning that stimulates academic inquiry to enrich and apply the content they are learning
- Opportunities to combine cognitive, kinesthetic, and affective learning
- Opportunities to communicate through body, facial, and vocal expression
- Opportunities to express more complex ideas and understanding [Language & literacy development]
- Build new friendships and enlarge their network

We hope you will join forces with this initiative to maintain the vision that we intend to popularize throughout the Greater Toronto Area. We believe that your contribution will have a positive impact on the lives of many deserving students. Largely, we believe in empowering our students to not only thrive academically but also socially. Life truly begins when one discovers their passion!

For more information about this initiative please contact wrightframeofmind@gmail.com we look forward to hearing from you. We hope to partner with you in the near future!

Sincerely,

Ms. Wright M.Ed., OCT
